

Cranberry Contour Nitrile Gloves

The contour is activated by body heat, providing an ergonomic shape that reduces hand fatigue during extended wear. In addition, the gloves provide latex-like comfort and excellent donning efficiency. The gloves are available in blue and are packaged 100 per box.

Available in sizes XS-XL

3115 (X-Small)
3116 (Small)
3117 (Medium)
3118 (Large)
3119 (X-Large)

Heat Activated

Body heat activated gloves ergonomically fit hands to reduce hand fatigue during extended wear. The fingertips are textured blue.
